DR. GUYSOTT'S IMPROVED EXTRACT DR. GUYSOTT'S IMPROVED EXTRACT of Yellow Dock and Sarsaparilla phil up in the largest sized bottles, contains more of the pure Honduras Sarsaparilla than any other preparation extant, which is chemically combined with the extract of Yellow Dock, and the extract of Wild Cherry, thus making the remedy more thoroughly efficient than any other Sarsaparilla before the public. At the same time it is perfectly free from all mineral poisons, which cannot be said of any other of the Sarsaparilla compounds. The invalid should becare of poisons! Mercury, Iron, Quinine, Potsh, Jodine, Sulphur, Arsenic, and many other mineral and metallic poisons enter into and form the active basis of most of the Sarsaparillas and Panacess of the day. Guysott's compound Extract of Yellow Dock and Sarsaparilla does not contain a particle of these substances; as any one can ascertain by applying the necessary tests.

Let all poisonous Sarsaparilla preparation alone, and use Guysott's Improved Extract of Yellow Dock and Sarsaparilla, which is there oughly efficacious, perfectly harmless and purely vegetable. All kinds of disease yields to its genial influence. See advertisement.

1 Hogfand's German Bitters.—We would call the attention of our readers to the advertisement of Dr. Hoofland's celebrated German Bitters, prepared by Dr. C. M. Jackson, No. 120 Arch street, philadelphia. In cases of Liver complaint, Dyspepsis, Disease of the Kidneys, and all diseases arising from a disordered stomech, their power is not excelled, if equalled, by any other known preparation, as the cures attest in many cases, after the most celebrated physicians had failed. We can conscientiously recommend this medicine, as being what it is represented, and urge our readers who are afflicted to procure a bottle, and they will be convinced of the truth we assort. lindw.

The best Female Medicine known!

The peculiar maladies to which females are subject, commonly produce great bodily exhaustion, accompanied by a depressed and often gloomy state of mind. As the system declines in strength, there is a loss of nervous power, and this very naturally impairs the energy of the mind and disturbs the equanimity of the temper. Every candid woman who has suffered from female complaints will admit this to be the mourful truth. Now, to obtain relief, it is only necessary to stop the tendency to depletion and debility. This is done by renewing that fountain of health and strength, the BLOOD, and ao medicine accomplishes this desirable result so speedily and complete as OPr. have been benefitted by the medicine.

My wife has been suffering for the space of nearly five years with Scrofula and Cancer, which, I think, found its origin in the detaignments of the system peculiar to her sex, while in the mean time she was under the care of the most eminent Physicians in this Section of the country, without deriving any material aid from the prescriptions. country, without deriving any material aid from their prescriptions.

Upon the recommendation of Dr. Cockes, one of our Physicians, who had seen the medicine used with happy effect, 1 obtained of your Agents here, Messrs. Rice & McFarland, one bottle of 'Dr. Guysott's Extract of Yellow Dock and Sarsaparilla,' and as my wife found relief from that bottle, 1 bought some six bottles, which she has taken with the most astonishing benefit, for I am pleased to say it has entirely cured her, for she has entirely recovered from her illness, and the Scrofula and Cancer are cared sound and well.

Accept my gratitude. Respectfully,

Extract of a Letter from an extensive Merchant in Plainfield, Livington county, Michigan.

PLAINFIELD, Michi, April 8, 1852.
Mr. John D. Park—Dear Sir—Dr. Guysott's Yellow Dock and Sarsaparilla is performing some asonishing cures in this place. A Mr. S. B. Strickland has just informed me that one of his children has been entirely cured of a severe case of Serofula by the use of only one bottle. He had tried almost everything that the Doctors had prescribed; but all of no avail, as the child continued getting worse. The sores are now all healed up and the child apparently well, which is justly ascribed to the use of the Yellow Dock and Sarsaparilla. [Signed.]

Yours, truly,

R. A. BEALL.

Mr. Bennett:—We take pleasure in stating that your Yellow Dock Sarsaparilla gives great satisfaction in every case.

A very respectable gentleman informed me that his daughter was troubled with difficult menstration and other diseases peculiar to hersex. She had not had her regular menstrual discharge for a long time; but by the use of Dr. Guysott's Yellow Dock and Sarsaparilla was radically cured. She used Townsend's and others without receiving the slightest benefit. He had one daughter die from the same efit. He had one daughter die from the same Cause.

THE HUMAN FRAME If the most perfect masterpiece of mechanis in the universe. Every artery, muscle, ligamen and bone exhibits in its formation the wisdor of the Deity. disorganizes the whole system; it prostrates the norves; it relaxes the muscles; it weakens the joints; it interferes with the functions of every organ; it checks the free and healthy circulation of the blood; it paralyses the abserbants, and renders them unable to take up and replate the wasted form with sound material. For the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Jonats, the Elbows, the Treut, the Gums or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system;—not nerve or muscle escapes the prostrating influence. influence throughout nan system ;—not a ne-prostrating influence.

\*\*DANGEROUS PRACTICE\*\*

DANGEROUS PRACTICE.

The use of Morphine, Strychine, Aconite, Belladonna, Arnica and other poisons, are not only dangerous but critil. The effect of these poisons is not to cue the disease, or to remove from the system the pains, but to Deaden the nerves; to weaken and stop the nervous energy, to paralyte the functions of the nervous system & destroy sensation. If this practice is continued for any length of time the patient will not only waste away, but the brain will become paralyzed and the intellect destroyed,

DANGEROUS PRACTICE.

containing this poison produte on the system.
